Joggers and Pedestrians

The Village of Lakewood has many winding and curved roads. Practicing safety while jogging or walking can prevent accidents. If you are on a two-way roadway, walk only on the left side of the roadway facing oncoming traffic. And always remember to look and listen for cars.

Illinois Premise Alert Program

The Illinois Premise Alert Program (Public Act 96-0788) provides for Public Safety Agencies in the State of Illinois. It allows people with special needs to provide information to police, fire and EMS personnel to be kept in a database. The information can then be provided to responders dealing with situations involving the special needs individual. Enroll in the program by completing the Premise Alert Program Form that can be found on the Village of Lakewood's website. Please return the form to the Lakewood Police Department. All information will be kept confidential and used only to provide Police, Fire, and EMS personnel with the information to deal with situations or emergencies involving these individuals. The notification form expires 2 years after the date it was submitted. You may update or renew it at any time by filing again with the Lakewood Police.

National Night Out

Mark your calendars for Lakewood Police Department's first National Night Out August 7th. A night out that helps to build community and law enforcement relationships. More information will be available as the event gets closer.

Tree Removal Permit Required

As a reminder, the removal of any tree taller than 20 feet or larger than 6 inches in diameter as measured 12 inches above the ground requires that a homeowner complete and submit a Tree Removal Permit request form to Village Hall. Spring Hydrant Flushing

Hydrant flushing in the Village will be done May 7 thru May 18. The flushing of hydrants is also necessary to clean the Village's water distribution system.

Watch for hydrant flushing signs to be posted on your street. You may notice an hour or two of reduced water pressure and discolored water while work is being done in your neighborhood. We suggest not doing laundry during hydrant flushing since the discolored water could possibly stain clothes.

Utility Billing

As a reminder the village is now offering your utility bill via email. Please contact Susan at Village Hall to enroll. 815-459-3025
