

LAKEWOOD WINTER NEWS

COCOA AND COOKIES WITH THE COPS With Special Guest Santa Claus

The Lakewood Police Department would like to invite the residents in on Saturday, December 2 from 11-1. Meet and greet with your policemen, enjoy a cup of cocoa, have a cookie and bring your list for Santa Claus. Over the past two months the officers have worked to remodel the police department at Village Hall. At this time we would like to invite everyone in to see the completed update.

Wonder if you are missing information? Want to be in the know as soon as something comes out? Head over to our website and sign up for our new emergency alert program. Thru text stay up to date about police alerts, road closures, and urgent village news. You may update message preferences or unsubscribe at any time. Check with your wireless provider for any message and data rates that may apply.

WINTER TIPS

PARKING AFTER SNOWFALL

As we are approaching our snowy months, we would like to remind you there is to be no parking on any public street within the limits of the Village after a snowfall of two inches or more has occurred. Once said public street has been cleared and the removal operations have been completed at that point you may resume parking. This is in accordance of our Municipal Code.

REFUSE AND RECYCLING CONTAINERS

To avoid contact with snowplows this winter, containers should be removed promptly after pickup .

CHILDREN

Take a moment to remind children to stay clear of snowplows and road ways when plows are present. These trucks are large and unable to stop quickly.

FIRE HYDRANTS

You can help the Fire Rescue department by clearing snow around the hydrant so it is visible and accessible on all sides in the event of an emergency. Hydrants are located near your home to protect you and your neighbors.

DRIVEWAY

Snow cleared by residents needs to be piled along the right side of you drive as you are facing the road. It is hazardous to shovel, plow or blow snow on any public street. This may cause ice patches which are hazardous to drivers and may damage the plows.

HOLIDAY GIFT OF GOLF

Saturday, January 6

Christmas Tree Pickup

Saturday, January 6
Friday, January 19

Police and Fire Departments are on duty 24 hours a day

Officers from the Lakewood Police Department will once again be participating in the Shop with a Cop Program on December 10th. Organized by McHenry County Police Charities, this program promotes a positive relationship between children and law enforcement, and allows underprivileged kids an opportunity to purchase Christmas gifts for their families.

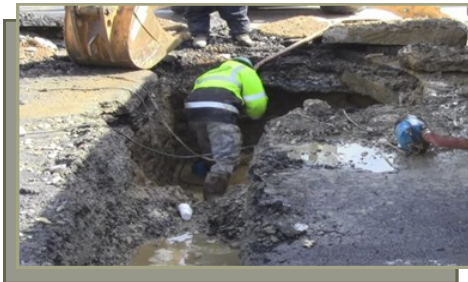

For more information on this great event, please visit:
www.mchenrycountypolicecharities.org

Holiday Lights Recycling

A receptacle will be outside at Village Hall thru January 31, 2018. Acceptable Items: Mini-lights, C7, C9, Rope Lights, LED and extension cords.

Lakewood resident, Pat Moll is a member of a local organization called Bunco Friends, who sets aside money throughout the year to give to a charity. Through her efforts, the Shop with a Cop program received a \$250.00 donation from the organization. The Village of Lakewood wishes to recognize this very generous contribution.

WATERMAIN BREAKS

It's that time of year again . . . when the outdoor temperature drops below freezing. Each year the freezing and thawing temperatures can cause water main breaks.

If you should see water coming out of the ground, or notice that something else might be happening with regard to water main breaks, please call the following numbers for assistance:

Weekdays from 8:30 a.m. to 4:30 p.m. (815) 459-3025
After hours, holidays, and weekends (815) 459-2151

At times, it may become necessary to shut off water service to homes in order to repair a water main break. When possible, residents are notified prior to having their water turned off. The Public Works Department will work around the clock to repair the break and get your water back in service.

Proceed with caution in areas around a water main break. Be alert for ice on the roadway. If icy conditions exist, please call the phone numbers listed above. Often excavation is required to repair the water main break. If you have an excavated area near your home, do not attempt to fill in the site. The repair crew will leave the site in a safe manner and will return to repair the area in the spring when the ground has thawed.

House Watch Service

Travel plans this winter? The Lakewood Police Department provides a House Watch Program to keep your home safe while you travel. Check out our website for the **NEW** house watch sign up.

Officers will walk around your home and check windows and doors, as well as look for any other signs of disturbance while you are away. If you have any questions about the program, please contact Village Hall at 815-459-3025.
