Assignment

Primary Tech: Kayla Chancellor

Priority: Non Urgent

Appointment Type: Scheduled

Promised Arrival Time: 05/04/2022 12:00 AM

Work Done

Equipment: SR-Lake 4 (Service Report)

Description: Lake 4 was in good condition. The ground was too wet for me to launch the boat today. I did walk the perimeter of the lake and everything looked good. Very little algae growth and no submerged weed growth observed. Water parameters were measured and recorded in the service report.
Thanks,
Kayla 5/4/2022
