Priority: Non Urgent

Appointment Type: Scheduled

Promised Arrival Time: 05/18/2022 12:00 AM

## Work Done

---

**Equipment:** SR-Lake 4 (Service Report)

**Description:** Today I did a spot treatment for the living algae. You should see some improvement over the next few days. A lot of the algae was brown and dead from the treatment made last visit. It should clear up over the next week. The submerged weed growth was low. No treatment was needed for this today.  
Thanks,  
Kayla 5/18/2022
