Assignment

Primary Tech: Kayla Chancellor

Priority: Non Urgent

Appointment Type: Scheduled

Promised Arrival Time: 05/25/2022 12:00 AM

Work Done

Equipment: SR-Lake 4 (Service Report)

Description: Due to the weather I had to treat the lake from the shoreline. You should see some improvement over the next few days. The submerged weed levels were low. No treatment was needed for this today. I also was unable to treatment the duckweed today due to the rain. I will take care of this next week. Water parameters were measured and recorded in the service report.
Thanks,
Kayla 5/25/2022
